

# VERMONT

It's the people, their stories and their passion that makes this an authentic destination like no other.

Vermonters are **passionate** about their "way of life". **Connected** to the land and committed to preserving, as well as sharing it with visitors. While it's easy to spend days simply taking in the scenery, it's even **more rewarding** to become a part of it. Explore Vermont's one-of-a-kind attractions. Enjoy the farm-to-table culinary offerings at restaurants, farmers markets and shops, visit quaint towns and villages seemingly **untouched by time** and view the mountains, lakes, farms, covered bridges and expansive vistas, all woven together by the people and stories. We want to provide you with an experience that will create **lasting memories**.
