 AMONG BOOMERS AND SENIORS... **PICKLEBALL!**

For the uninitiated, pickleball is something of a mix between tennis, racquetball and ping pong. Players use special light weight paddles and a wiffleball. The games take place on tennis courts with specific pickleball lines. Nets and court sizes are smaller than their tennis counterparts, and the most common game is doubles, although singles is also an option. The Plaza Hotel Casino has dedicated an entire floor of outdoor courts to Pickleball.
