

HUNTSVILLE

ALABAMA

From a small cotton town to the **leader in the Space Race**, the **innovative** city of Huntsville, located at the foothills of the Appalachian Mountains in North Alabama is equally home in the 19th century or the 21st. Huntsville's tourist attractions, reflect the **heritage** of Alabama's first English speaking city, the strife of the **accomplishments** of America's rocket scientists. Enjoy some **awesome** art, beautiful botanical gardens, the Space Center and, of course, some **fantastic** food.
