

Waco

— HEART  TEXAS —

Home of the **Chip and Joanna Gaines** Fixer Upper TV Show phenomenon!

Waco offers enough to keep visitors busy for days ! This is the town where the Texas couple parlayed their hit HGTV home remodeling show into an empire that includes branded goods, a magazine, a coffee shop and the Magnolia Market at the Silos, a nationally recognized boutique home décor store. There is no shortage of adventures to embark upon including a stroll through the cultural and historic district and a walk across the historic Waco Suspension Bridge, built in 1870, where the clapping hooves of cattle followed the Chisholm and Shawnee Trails to the Waco stockyards.
