

Stay Just a Little Bit Longer ; America's Dairyland...

WISCONSIN

Wisconsin is chock-full of **wonderful sites** and **beautiful vistas**. This tour will explore the South Central region from the urban setting of Madison to the rolling back roads of the area. Madison, which sits on a isthmus between Lakes Mendota and Monona, is the capital city of Wisconsin and as you explore, you'll see why it is ranked as one of the Top Ten Happiest Cities in the world by National Geographic. A trip to the area would not be complete without a visit to one of the most **amazing, unique, remarkable** and **extraordinary** attractions around, The House on the Rock. A truly must see for all groups visiting the area.
