South Carolina

Explore the Wonderful Sights
and Attractions!

Charleston, the South Carolina port city founded in 1670, is defined by its cobblestone streets, horse drawn carriages and pastel antebellum houses, particularly in the **elegant** French Quarter and Battery districts. The Battery Promenade and Waterfront Park both **overlook** Charleston Harbor, while Fort Sumter, a federal stronghold where the first shots of the Civil War rang out, lies across the water. Nearby, the circa 1773 Charleston Museum showcases the **history** of the South Carolina Low Country Region. Many local restaurants specialize in Low Country cooking, which blends Southern US, African, French and Caribbean flavors. **Something you don't want to miss!**
