# New Orleans

New Orleans is one of the world's most **FASCINATING** cities, its home to a truly **UNIQUE** melting pot of culture, food and music. Come and experience this city, one of America's most culturally and historically **RICH** group destinations. The city lingers on the threshold between the Old World and the new, between history and legend. Here, in this little corner of the American South, where European **TRADITIONS** blend with Caribbean influences, the life style is as colorful as the local architecture, the food is the stuff of **LEGEND** and the founders were instrumental in creating Jazz and the local music, Zydeco. The street names are French and Spanish and the Creole architecture come in a carnival of tropical colors. Truly, a **WONDERFUL** group destination.
