

The Hostess City of the South

Savannah

GEORGIA

Savannah is known as the “Hostess City of the South”, and is the first planned city in America. Our tour will include sights along the Riverfront, an area adjacent to the Savannah River where old cotton warehouses have been turned into **charming** shops and restaurants. Our tour will include several of the **historic** squares, (gardens), often called the Jewels of the South, several sights made **famous** from the many movies filmed in Savannah and a **variety** of historic monuments. A local resident will share tales and secrets of the **stately** mansions located in the largest, urban historic landmark district in North America (2.2 square miles).
